TERMS OF THIS PUBLIC AUCTION SALE

This is a public Auction sale and bidders unknown to me are requested to give bank or other reliable reference or their bids cannot be executed. Or otherwise kindly forward in advance remittance of 25% of the amount of your bids. Auction sales are strictly for cash. Your bids are as binding as any contract, so do not bid unless you are sure you can pay for what you bid on. No claims will be allowed unless same are made promptly. The catalogue has endeavored to describe all coins fairly and to mention any defects.

NOTE:—Dealers' bills must be paid promptly within 10 days from receipt of purchases.

Coins and medals, &c., are sold at so much per piece. If there are 3 pieces in a lot and you wish to bid $4.50 for the lot then bid $1.50 for each piece &c. No lots split up. Lots must be purchased entire as they are and no piece sold out of a lot. A 5 percent charge will be made for packing & shipping on any coins purchased. Send your remittance by money order New York or Boston draft as checks sent by parties unknown to me would have to be verified.

Send in your bids on receipt of catalogue as many bids have to be entered and it is always to the advantage of the bidder to send his bid in at once. In my last sale some bids came in too late and could not be executed.

Do not bid less than the bullion value of silver and gold coins. A silver coin is always worth its bullion value and considerable over this as a rule, and gold coins [illegible] dollar. All coins are guaranteed genuine in this sale.

COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION

Many choice coins and bills are offered in this Public Auction Sale. A few of which I will make mention.

Some nice United States Silver Dollars and Half Dollars, many of the branch mints of the latter.

A nice assortment of United States Notes some of which are rare also United States Continental Notes, United States Broken Bank Bills and Confederate Currency.

A scarce lot of United States Politicals especially ferrotypes. A large assortment of Foreign Silver and Copper Coins.

A choice lot of United States Two and One Half, Five and Ten Dollar Gold Pieces. And many other offerings too numerous to mention.

I will not accept any bids from anyone unless satisfactory references are furnished, this is final. Do not send bids at the last moment with references, as it is impossible to get such information then. Send Cash Remittance of 25% of the amount of your bids and comply with the conditions of the sale.

My mailing list contains over 1000 active collectors. There will be distributed 1500 catalogues. My business has been established over 25 years and am ready to sell collections large or small. Terms on application.

Send in your bids at once, do not wait. Bids are apt to arrive too late or be overlooked if sent in at the last moment. Be sure to bid on the right lot and read catalogue and conditions of the sale carefully, when making your bids.

Be sure to bid on each lot at so much per piece and not for the lot, if there is more than one piece in the lot or will be compelled to refuse all such bids sent. Be sure to take a copy of your bids and be sure to sign your name to your order, do this first. I get many unsigned orders.

Write down the right number you intend to bid on as I will not hold myself accountable for such errors and will be compelled to hold you responsible for your errors. Remember the coins I am selling are the property of others and I have to make an accounting to them.

Send in your bids at once if you want the best service. Many times if an error is made it gives me an opportunity to write the collector and check up on his bids.
